Opening of DIFC Grand Mosque

Following its soft opening in the autumn of last year, the DIFC Grand Mosque officially opened to the public last month. This striking and elegant project is a visual highlight among the work that RMJM Dubai have collaborated on with DIFC as part of the exciting Gate Avenue development in Dubai's financial district. The mosque completes the Gate Avenue promenade and with its simple, yet fresh design, it acts as a landmark for the surrounding community.

A testament to the thought and deliberation given to the project throughout the design process and construction, the mosque has been shortlisted for the upcoming RIBA Gulf Architecture Festival 2020.

Now that the mosque is open to the public, RMJM Dubai are pleased to share their vision with the people of Dubai
